

## Fruity Crumb Cake

6 cups            American Quality Foods Basic Muffin Mix  
2 cups            Water  
1 Package        American Quality Foods Fruit Filling Mix (any Flavor)

### Crumb Topping

½ cup            Basic Muffin Mix  
1 ½                Tablespoons cold water

- Add Basic Muffin Mix and water to bowl, mix using paddle attachment for one minute, scraping down sides of bowl once.
- Make Fruit Filling according to package directions, cool.
- Grease a Half-sheet or Jelly roll pan (11x17").
- Spread muffin mixture evenly in pan.
- Spoon 2 ½ cups Fruit Filling on top of muffin mixture, spreading within ½" of edge.

For crumb topping

- Mix ½ cup Basic Muffin Mix with cold water, stir with fork until crumbly.
- Sprinkle over cake.
- Bake in 350° F oven for 35-40 minutes until golden around edges. Cool. Cut into 45 slices 2"x2" slices.
