

Joe's Berry-n-Pudding Cake

1 Package	American Quality Foods Vanilla Crème Cake Mix
1 Package	American Quality Foods Banana Pudding
½ cup	Sliced Strawberries
½ cup	Whole Blueberries
¼ cup	Whole Blueberries and sliced strawberries for garnish
1 qt.	Heavy Cream
1 Tbls.	Sugar Substitute

- Mix cake according to package directions.
- Add ¼ cup of strawberries and ¼ cup blueberries to the cake mix.
- Portion batter evenly into round cake pans.
- Bake 20-25 minutes @ 350° F. Cool.
- Mix pudding as directed, using 12 cups milk.
- Add 3 cups of the prepared pudding to ¼ cup strawberries and blueberries and blend by hand till berries are distributed evenly.
- Spread this mixture on top of one cake. Place the other cake on top.
- Whip the heavy cream with sugar substitute until very firm.
- Blend the cream with 3 cups of the remaining pudding until well incorporated. Use this mixture as a frosting for the cake.
- Garnish with remaining fruit.
- Chill the whole cake and serve as a refreshing warm day dessert.
