

Melon Jewel Cake

2 tbs. American Quality Foods cantaloupe gelatin mix
2 tbs. American Quality Foods watermelon gelatin mix
1 pack American Quality Foods whipped topping mix
1 pack American Quality Foods pound cake mix

- Prepare gelatin mixes according to package directions, using 3 ½ cups less water in each. Pour into sheet pans to set.
- Prepare pound cake and bake in loaf pans. Let cool. Slice each cake horizontally into 3 equal slices. Set aside.
- Prepare whipped topping following package directions.
- Cut gelatin into small cubes and fold into whipped topping.
- Spread gelatin mixture on first cake layer, top with second cake layer, repeat and top with 3rd cake layer. Top cake with remaining mixture.
- Chill, and to serve, slice 1 inch thick.
- Serves 18.
